

Agricultural Markets

During Katolight's 50 years as a provider of quality built Generator Power Systems, we have established a position as the vendor of choice and have built a strong customer loyalty within almost every Agricultural Market segment.

Katolight's Agricultural specific distributor organization and related vendor networking through builders, contractors and suppliers of ventilation, feeding and control equipment assures you a high quality generator power system tuned to the needs of today's state of the art Agricultural production facilities. Whether your focus is dairy, hogs, poultry, greenhouse or aquaculture, Katolight is ready and qualified to serve you!
